**Note:** I joined the services of the Cochin University of Science and Technology on 05 - 07 – 1989 in the post of Lecturer. Later, I was promoted to the post of Lecturer - Senior Scale and subsequently to the post of Reader/ Associate Professor under Career Advancement Scheme w. e. f. 1994 after scrutiny of records in support of my credentials and evaluation by a duly appointed Evaluation Committee. Between 1990 and 2013 I had to shift residences 6 times due to reasons such as wife’s transfer, mother’s prolonged ill health, hospitalization for around 10 months and demise etc. In the processes of quick packing and shifting, many records including personal and official files are either lost or misplaced. I am in the process of tracing them if not lost.
